## Parent Newsletter 2 - Autumn Term 2018

Dear Parents and Carers,

It has been a busy start to the year at Nevill Road Juniors.

### Art Attack

Year 6 have taken part in a Big Art Attack in which they created a giant sea turtle using non-recyclable plastic. This links to their current topic on Planet Earth where the children have been looking at ways to protect the planet. We would like to thank the parents and carers for sending in their unwanted unrecyclable plastic, as this allowed the children to take part in both a creative and enjoyable experience.

### School Council

Once again the children have elected their new School Councillors for the year. They will be having their first meeting this week to discuss ideas about how to raise funds for the playground. They will also be helping at the Macmillan coffee morning on **Friday 28<sup>th</sup> September** at the Infants.

### Bramhall High

We were delighted to welcome back some of our former pupils who came with Mrs Fox to talk to the Year 6 children about their experiences of starting at Bramhall High. Mrs Fox said, *"It is clear that they were very well prepared by your staff to transfer to our school and this has made their start to high school life very positive. As a group they have settled in extremely well and have been a pleasure to teach and work with. They are clearly confident, enthusiastic learners who have really got involved with High School life! They are a credit to Nevill Road, their families and themselves!"*

### **Enrichment Afternoon**

We are always looking at ways in which we can develop our broad and balanced curriculum and this year we have introduced enrichment activities on a Friday afternoon. Every class teacher has chosen an area of the curriculum in which they have a particular expertise that will be delivered to mixed groups of children across each Phase (Y3/4 and Y5/6) for half a term. The activities include music composition, stop motion animation, creative writing, cookery, mindfulness and art. If you would be interested in sharing some of your skills in these sessions, please contact the main office.

### **Parking**

A reminder to parents to be considerate to the local residents and to please not park across drives or in front of the school gates. Thank you.

### **Diary dates**
